

Colonial domination is a living fact

Watch the 2:32min Video of 'Colonial domination is a living fact' on <https://www.insightexchange.net/creating-conversations/resistance-safety-language/>

“Colonial violence, colonial domination is a physiological, biological, material fact. It is not history, it is the soil, it’s in the air, it’s in everything we breathe and everything we do. And we are in a colonial context trying to address different forms of violence.”
