

Exchange Initiative

A conversation with Dr Linda Coates / Dr Allan Wade

As part of a nine day engagement program in March 2019 we have set aside one day dedicated to providing opportunities for senior leads to take up the opportunity for a 90 minute conversations with [Dr Linda Coates / Dr Allan Wade](#).

This opportunity offers you a conversation you can lead and tailor to explore your questions particular to your context and current challenges.

“Huge thank you to both Allan and Linda for your time, experience, intellect and great Canadian sense of humour- I am reinvigorated and ready to infuse the work we do with a whole new and fresh approach to violence... I feel honoured to have this connection to you both through Sightlines and cannot wait to continue this important work.”
