

INSIGHT INITIATIVES

My Safety Kit - Updated

My Safety Kit is a reflection resource designed to support people who are, or may be, experiencing domestic and family violence.

The updated version retains the same architecture and content as earlier editions with improved design features, updated directory information and signposting to related resources.

The URL and QR Code are unchanged.

If you are a distribution sponsor of My Safety Kit, we will be in contact about updating your master copy.

EXCHANGE INITIATIVES

Follow My Lead - Updated

Follow My Lead is an awareness raising resource about domestic and family violence for social responders.

The updated version retains the same architecture and content as earlier editions with updated directory information and signposting to related resources.

The URL and QR Code are unchanged.

If you are a distribution sponsor of Follow My Lead, we will be in contact about updating your master copy.

STOP THE MIS-USE OF NDA'S

“Why are NDAs a Problem?”

Non-Disclosure Agreements (NDAs) have become the default solution for organisations, corporations, individuals, and public bodies to settle cases of sexual misconduct, racism, pregnancy discrimination and other human rights violations. These agreements, which are being used to threaten people with legal consequences, are being used to cover up abuse, and in some cases criminal acts.

Not only are NDA used to cover up abuse in workplaces, schools, youth clubs, universities, and religious institutions, but they also keep settlements secret wherein revealing the details – faulty products, gambling addictions, paying off harassers with public funds – would embarrass the responsible party. The list is long and shocking”
