

INSIGHT EXCHANGE

Update 38 | SPECIAL EDITION

UNDERSTANDING AND RESPONDING TO DOMESTIC, FAMILY AND SEXUALISED VIOLENCE.

Every organisation varies in its leadership, self-awareness, culture and commitments. Your organisation might be starting today, restarting differently, or looking to broaden and deepen the path you are on in understanding and responding to domestic, family and sexualised violence.

The following documents are designed to support your work.

WHO BENEFITS? WHO DECIDES?

FRAMEWORK

The *Futures Framework* is designed to support organisations and institutions in developing a **strategic and holistic response to domestic, family and sexualised violence**. It can be used to scope, guide and plan short and long term commitments **to prevent and respond to domestic, family and sexualised violence**.
