

Insight initiatives

The perpetration of strangulation is a serious problem globally. So, how can we improve our understanding of and responses to strangulation?

NEW: View the [short animation](#) (5mins) about the dangers of strangulation.

The animation can be shared or embedded.

Exchange initiatives

NEW: resources and opportunities

www.insightexchange.net/strangulation/

On this new [landing page](#), you can read about and view the following resources and initiatives related to strangulation.

1. Foundations module - Understanding and responding to strangulation
2. Book a 90min virtual session for a group/team (60min module plus 30mins Q&A)
3. Arts Lab collection - Artworks featured in the module
4. Additional Resources List – explore vital work already going on

Keen to share these resources and opportunities in your organisation and with stakeholders?

On the [landing page](#) you can select and share onward an invitation to people who may benefit from seeing these resources. Choose from the PNG file for social media or PDF for email.
