Introductory Modules x 5 FREE (donated)

www.insightexchange.net/introductorymodules/

Every response matters, and therefore the understanding of every industry matters. The following introductory modules are designed to build on understanding of and responses to domestic, family and sexualised violence.

Each module is 50 minutes and contains lived experience insights, data, concepts, animations and introduction to resources you can take forward (at no cost) into your industry.

Small Business – Starter Kit FREE (donated)

www.insightexchange.net/smallbusiness/

This *Small Business Starter Kit* is designed to support your foundational understanding of domestic, family and sexualised violence and the meaningful difference you can make as a small business to your employees and customers.

Content includes:

1. What is domestic, family and sexualised violence?
2. Where are people who are experiencing domestic, family and sexualised violence?
3. How can I/we prepare as a responder?
4. What can we do to support victim-survivors?
5. What reflection resource can we share with victim-survivors?
6. What can we do about people who are perpetrating domestic, family and sexualised violence?
7. Who else can support?
8. What else can we do?
