

EAP Foundations

What we understand about domestic, family and sexualised violence informs how we respond; it influences how we **design** products, services and systems. It influences how we **communicate** about those products, services and systems. The following selected resources build on understanding of domestic, family and sexualised violence.

INSIGHT EXCHANGE

[Insight Exchange](#) is a not-for-profit initiative that centers on the expertise of people with lived experience of domestic, family and sexualised violence and gives voice to these experiences. It is designed to inform and strengthen social, service and systemic responses across the ecosystem.
