

### Workplace Responses

Workplaces, are well placed to provide timely and significant support to victims-survivors of domestic, family and sexualised violence. We encourage organisations to develop their understanding and readiness to respond in ways that uphold dignity and build on safety.

### Guide to uplifting Workplace Responses (new edition)

We encourage organisations and institutions to understand the importance of workplace responses in the context of a strategic holistic response to domestic, family and sexualised violence.

#### Workplace Responses

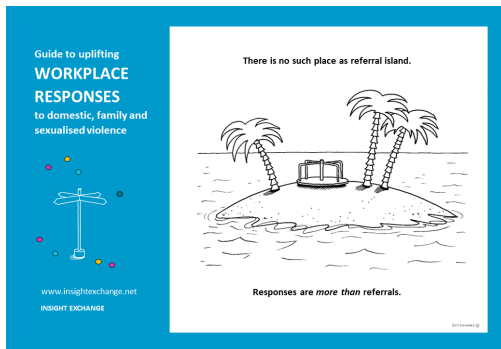

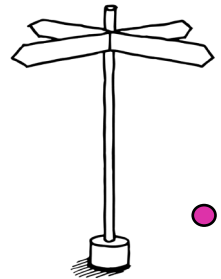

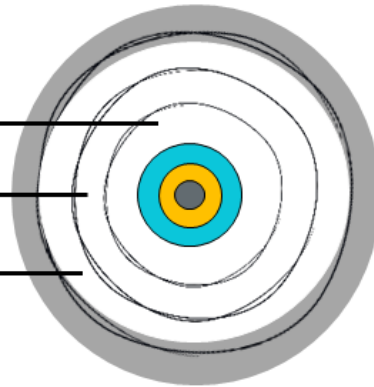

[Employees, Contractors, Volunteers]

#### Customer/Client Responses

[Consumers, Patients, Guests & Collaborators]

#### Ecosystem Responses

[Community, Suppliers, Shareholders, Systems]

This guide (2<sup>nd</sup> edition) invites you to build on being a workplace that has insight-informed design and responses to people experiencing domestic, family and sexualised violence.

Read and implement the [Guide: Uplifting workplace responses](#).

This next edition includes new Insight Exchange materials and embeds the updated Workplace Intranet Content Guide.
